**F = Future** We will adapt to changes as we prepare Sertoma for the future. While supplying the needs of today. You, my friends and fellow Sertomans, are the key to the next 100 years.

**O = Opportunity** You and your Sertoma friends have the opportunity to grow Sertoma, grow SERVICE TO MANKIND and Make Life Worthwhile in your communities and the communities where there is no Sertoma club.

**C = Commitment** I am asking you for a commitment. A commitment to continue working to make your club the family it can be, a commitment to providing service to your community and a commitment to enlarging the Sertoma Family by retention of members, adding new members and building new Sertoma Clubs.

**U = Unity** SERVICE TO MANKIND is what unifies our club and our national organization of Sertoma Clubs. Our commitment to serve others is the glue that maintains our unity.

**S = Service** Service is the result of the compassion we as Sertomans have and the sharing and caring that we pass forward. The members of a club join together because they are passionate about their cause and want to share with others. They care about their communities.

Yours in Service to Mankind,

*Dennis H. Lawler*
